Description

This 2012 Ford B-Max Zetec offers a reliable choice for your next vehicle, backed by a clear history check and an MOT that remains valid until February 2027. This specific model features a 1.6 litre petrol engine and has covered a low mileage of 65,150 miles for its age. As a Zetec trim, it provides a well-rounded specification that balances practicality with the established build quality associated with the Ford brand., Choosing this vehicle provides practical benefits, particularly regarding its low insurance group, which helps to keep ongoing running costs manageable. The combination of the efficient petrol engine and the proven reliability of the B-Max platform makes it a sensible option for drivers seeking a dependable car that is ready for the road. Its overall condition and documented history suggest it is a well-maintained example that stands out as a sensible and economical choice within its class. Ford B-MAX
