Description

This 2016 Nissan X-Trail dCi Tekna presents an exceptional find with its remarkably low mileage of just 59,350 miles for its age, a clear vehicle history check, and a Euro 6 compliant 1.6 litre diesel engine. This Tekna trim level boasts a desirable 7 seat upgrade, perfect for families or those needing extra versatility. You'll also appreciate the comfort of heated front seats and the advanced Safety Shield system, which includes Blind Spot Assistance, enhancing your awareness on the road. Navigating tight spaces is made effortless with the Around View Monitor, featuring front, rear, and side cameras for a 360 degree view, complemented by Bi-LED headlights for superior visibility. The efficiency of this X-Trail is a significant advantage, achieving an impressive fuel economy of 53 miles per gallon, which is notably better than many other vehicles in its class. Furthermore, its low insurance group rating means lower running costs.

Disclaimer

Every effort has been made to provide accurate information, though errors may occasionally occur. Please consult a salesperson for details that could influence your purchase decision.

We have not verified this odometer reading, so it should not be considered an accurate reflection of the vehicle's true mileage.
