Description

This 2022 Renault Zoe R135 GT Line + boasts a clear vehicle history and has had only one owner. This electric vehicle features a 55 kWh battery offering a maximum range of 238 miles when new. Charging at home on a 7kW charger takes approximately 9 hours and 25 minutes, while rapid public charging can take you from empty to 80% in just 1 hour and 10 minutes. The GT Line + trim includes a Blind Spot Warning system with Blind Spot Assistance, a heated leather steering wheel, and wireless charging for your smartphone. You'll also appreciate the convenience of heated seats and a handsfree keycard for keyless entry. The large boot space in this Zoe provides ample room for your shopping or luggage, making it a practical choice for everyday use. The inclusion of features like Blind Spot Warning, a heated steering wheel, heated seats, and wireless phone
