Description

This 2020 Nissan Leaf N Connecta boasts exceptionally low mileage for its age, having covered just 22,300 miles, and comes with the reassurance of a clear vehicle history check and a single owner from new. As an electric vehicle with a 40 kWh battery, it offers a maximum range of 168 miles when new, making it a practical choice for daily commutes and longer journeys. Charging is convenient, with a full charge at home taking approximately 7 hours and 30 minutes using a 7kW charger, while rapid public charging can take you from empty to 80% in just 1 hour and 20 minutes., , The N Connecta trim level is well equipped with notable features designed to enhance your driving experience. These include ProPILOT with an Electronic Parking Brake, Blind Spot Warning with Blind Spot Assistance, and Intelligent Cruise Control with Adaptive Cruise Control for effortless motorway driving. Stay connected
