Description

This 2017 MINI Hatch Cooper S is a well-maintained example of a popular compact car. With a clear vehicle history check, this car offers peace of mind for its next owner. It has covered a very low mileage of 34,750 miles for its age, suggesting it has been used sparingly throughout its life. , Under the bonnet, this Cooper S is powered by a 2.0-litre petrol engine that meets Euro 6 emission standards. The performance is a key highlight, as the car is capable of accelerating from 0 to 62mph in just 6.9 seconds. This combination of a responsive engine and agile handling makes it a compelling choice for those who enjoy a spirited driving experience while still benefiting from the practicality of a modern hatchback. Available for immediate delivery with nationwide options. Visit our website today to reserve this vehicle or book your test drive—the most secure way to
