Description

This 2017 Mazda6 SKYACTIV-D Sport Nav is a well-equipped saloon powered by a 2.2-litre diesel engine that meets Euro 6 emission standards. As a Sport Nav trim, it includes a range of practical features designed for comfort and convenience, such as dusk-sensing automatic headlights and front and rear parking distance sensors to assist with manoeuvring. Inside, the cabin offers dual-zone climate control and a premium branded sound system, while the driver benefits from a power-adjustable seat with memory settings for height, slide, and recline. A vehicle history check confirms this car has a clear record. This model stands out for its balance of efficiency and practicality, offering an impressive fuel economy of 69 mpg and low CO2 emissions, which helps to keep running costs manageable. It is also positioned in a low insurance group, making it a sensible choice for those looking to reduce their overall motoring expenses. Beyond
