Description

This 2014 Ford Focus Titanium Navigator is a well-maintained hatchback that offers a reliable driving experience. With only 21,350 miles on the clock, this vehicle has covered very low mileage for its age and has been cared for by just two owners from new. It comes with a clear vehicle history check, providing peace of mind regarding its background. Powered by a 1.6-litre petrol engine, this model is designed to be practical for everyday use while remaining accessible to a wide range of drivers due to its low insurance group rating., The Titanium Navigator trim level includes several features that enhance comfort and convenience on the road. Drivers benefit from dual zone electronic automatic temperature control, which includes climate control to maintain a comfortable cabin environment regardless of the weather. Parking is made simpler with the inclusion of rear parking sensors, while automatic headlights adjust to changing light conditions
