Description

This 2014 Audi Q5 TFSI S line Plus is a capable SUV that combines practical design with a refined driving experience. Powered by a 2.0 litre petrol engine and equipped with a four wheel drive system, this vehicle is built to handle various road conditions with confidence. It meets Euro 6 emission standards, and a full vehicle history check confirms that the car has a clear record., The driving experience is enhanced by a range of thoughtful features, including Bi-Xenon Plus headlights with automatic light sensors for improved visibility. Inside, the cabin is equipped with deluxe 3-zone climate control and a 3-spoke leather multi-function sports steering wheel, ensuring comfort for all passengers. The exterior is finished with 20-inch alloy wheels in a 5-segment titanium optic design, which complements the vehicle's aesthetic. Practicality is a key strength, as the Q5 offers a large boot space for luggage and equipment, while
