Description

This 2018 MINI Countryman Cooper D offers a practical and stylish option for those seeking a reliable vehicle. Powered by a 2.0L diesel engine that meets Euro 6 emission standards, this model has been verified with a clear vehicle history check. It is equipped with several notable features, including white bonnet stripes and 17in Imprint Spoke alloy wheels, which complement its design. Inside, the cabin includes heated seats for both the driver and front passenger, along with Bluetooth hands free functionality and USB audio connectivity. Manoeuvring is made easier thanks to the rear parking distance control and parking assistance sensors., The efficiency of this vehicle is a significant advantage, as it achieves an impressive fuel economy of 63 mpg. This high level of efficiency is paired with low CO2 emissions, making it a sensible choice for daily driving. Furthermore, the vehicle falls into a low insurance group, which helps
